WEDNESDAY MORNING LADIES BIBLE STUDY AT TCC

FALL TOPIC - Strengthen Yourself in the Lord

Today's believers are experiencing dire situations that were not known in the last half century. Stresses in the home, at work, and in our world take a tremendous toll on us, leaving too many wallowing in a sense of personal failure and losing hope for a successful future. God does provide the answers.

We will be studying Scriptural keys using Bill Johnson's series "Strengthen Yourself In the Lord". Through all our trials and struggles, God is always there preparing a way. That's His part. We have our part to partner with God to achieve victory. Through teaching, discussion, and videos we will be seeing how we can "strengthen ourselves in the Lord" ---- practices on how to encourage ourselves, how to overcome seriously bad days, how to stay connected to the destiny God has for us, how to access Heaven's door, and how to use thanksgiving to defeat Satan. Good Scripture examples and enlightening personal examples.

Come for opening worship, good study, good fellowship, sharing and prayer.

We meet weekly in the "Stone Barn" (Chapel) of the church on Wednesday mornings from 10 - 11:30 AM. Starting date is Wednesday, September 10.

More information/ sign up for class – contact Marge Conn margeconn227@gmail.com
